Add a pollinator enhancement

To add a pollinator enhancement to the Slope Stabilization seed mix add our Native Wildflower seed mix (page 20) at a rate of 1/4 acre of Native Wildflower to 1 acre of the Slope Stabilization Seed Mix.

Promote your organization | Promote native pollinators

Is your organization looking for a unique way to stand out? Build a promotional seed packet! Cardno's Native Plant Nursery can build promotional seed packets customized with your organization's logo and contact information. Cardno's seed packets make great handouts and conversation starters at conferences, tradeshows, and community events.

Advertise your organization and provide your audience with an opportunity to grow native plants that return year after year as a colorful reminder of your contribution.

These plants help restore native landscape in your region and build habitat for butterflies, hummingbirds, and other pollinators.

Custom mixes can be specialized by region. Additional graphic services can be provided for an additional cost. Contact nurserysales@cardno.com for details and pricing.
